

# HA-ILE SUPERVISION SUPPORTED PROJECTS - SHORT REPORT IN MAY 2019: IYAYI

## A. IYAYI PARISH

Is belongs to Ilembula District. The whole Parish has 1802 church members. Adults are 1182, male 452 and female 730. Children are 620, male 283 and female 337.

PROJECTS SUPPORTED BY HA-ILE e.V Tansania

### 1. WATER PROJECT

They have 3 Simtanks installed to the church building. 2 tanks are full of water. **1 empty. Has a problem.** I informed the Engineer from NT Network to repair. He promised to repair on 17<sup>th</sup> of May,2019

#### WATER POLICY

The project has water committee of 6 members. The project is controlled and supervised by committee.

The tap has a lock. They have specific time to open.

They are not charging any money for the project.

They have not connected water pipes from main pipe belongs to Government

## WAY FORWARD

They will discuss on how they can making charges to the community for the sustainability of the project.

### 2. TOILET PROJECT

It is in finishing level. All materials are purchased like cement and doors are made, they have planned to fix them.

They have 2 kinds of toilet and users:

Toilet for Parish Officers. They have planned to have a special door/entrance as you can see from the photo. Also you can see those doors for fixing to toilets doors.

Public toilet will be in another side. They have started to fix toilets sinks refer the photos.

The started to construct in 2013. Now it is 6 years. It is their hope that this year the toile will be finished

### 3. KINDERGARTEN

There are 16 children. Male 5 and female 11. Each child paying Tsh.100,000 per year, each month is Tsh.8,333 each child. The total school fee from 16 children is Tsh.1,600,000. The school has only 1 teacher called Rehema Festo Mpangwa.

They have planned to employ another teacher. But the challenge is payments. Each month they must pay Tsh.200,000 to 2 teacher.

For the time being, there are 2 teachers from Kanamalenga Parish who are having training to be teacher.

#### 4. PARTICIPANTS ATTENDED THE MEETING

- i. Rev. Huruma Kilatu-Parish Pastor
- ii. Ev. Debora Ligonile-Parish Treasurer

# HA-ILE SUPERVISION SUPPORTED PROJECTS - SHORT REPORT IN MAY 2019: MAYALE

## A. MAYALE PREACH POINT

### 1. WATER PROJECT SUPPORTED BY HA-ILE: Rain gutters and Simtanks at church

Number of Water Committee are 10.

All Simtanks are full of water.

They have a water policy. People are fetching water free of charge.

They have water committee and it is working. The water committee is the same people which is supervising the drilled well.

Among of the members is Village Chairperson, Evangelist, Head Teacher from Primary School. They have elected the committee leaders which is water chairperson, secretary and treasurer. But they do not have Bank account.

#### SUSTAINABILITY OF THE PROJECT.

They have planned every Christian member to contribute Tsh.3,000 as a capital for running costs. This will be kept to the Bank (They have planned to have a special bank account soon as possible).

## **CHALLENGES** FROM SIMTANKS

Gutters are too small other water are jumping/lost

## **WAY FORWARD**

- They are asking to change the gutters. To fix the bigger one
- They will open the Bank account soon.
- They will start to charge. This will be decided during the meeting of Church members
- They will connect water from the drilled well to Simtanks

## **2. WATER PROJECT SUPPORTED BY HA-ILE: WELL and DRILLED WATER**

- They have a committee
- They have dug the canal from the drilled well to school and to the preaching point.
- They have enough water. The pupils are not facing any problem.

On 3<sup>rd</sup> of June at 10am, they will have a big meeting of the project appreciation. They are inviting donor and all HA-ILE members. They have prepared songs, poems, speeches and so on. We will attend.

## **PARTICIPANTS ATTENDED DURING MY VISIT ON 21<sup>ST</sup> MAY 2019:**
